DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 2, 4-9 and 11-14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Karna disclose a method of interference cancellation including generating a residual signal and detecting symbol information from an interference cancelled signal, but fails to disclose completing temporary detecting and recovering of a user symbol when an over-sampled position of a received signal reaches the end of a user symbol including checking whether the end of a user symbol is received, and if the end of the symbol is not received, receiving a signal, where if the end of the user symbol is received, performing temporary detecting for the symbol.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
